**DEFENDANT EDMONDSON'S RESPONSE IN OPPOSITION TO PLAINTIFFS'  
MOTIONS TO STRIKE DEFENDANT EDMONDSON'S MOTION TO DISMISS  
AND THE UNDERSIGNED COUNSEL'S ENTRY OF APPEARANCE**

Defendant Edmondson, through the undersigned counsel, respectfully submits this Response in Opposition to Plaintiff Rodney Class' "Motion to Strike and Quash Linda Soper [sic] Motion Base [sic] on Fraud and Perjury with an Affidavit" (Doc. 18) and to Plaintiff Carl Weston's "Motion to Strike Defendant's Motion to Dismiss Strike Appearance" (Doc. 21).

Rule 12(f) of the Federal Rules of Civil Procedure states that a pleading or defense may be stricken if it contains an insufficient defense or "redundant, immaterial, impertinent, or scandalous matter." Plaintiffs have not alleged or demonstrated that Defendant Edmondson's motion contained any such defenses or matter. Both Plaintiffs Class and Weston assert that Defendant Edmondson's dispositive motion and the undersigned's entry of appearance on behalf of Defendant Edmondson should be stricken because, according to both, counsel failed to sign the documents. However, both the dispositive motion and the entry of appearance were electronically filed in accordance with the United States District Court for the Northern District of Oklahoma's CM/ECF Administrative Guide of Policies and Procedures and in accordance with Section XI of that Guide.

Plaintiff Class also argues that Defendant Edmondson's dispositive motion must be stricken because Plaintiffs have no proof that the undersigned counsel is admitted to practice in this Court. However, this Court may take judicial notice of its records indicating that the undersigned counsel was duly admitted to the practice in this Court in 1991 and has maintained eligibility to practice in this Court since that time.

Based on these reasons, Plaintiffs' motions should be denied.

Respectfully submitted,

s/ Linda Soper
